

Overview

The screenshot displays the GRAV administrator dashboard. On the left is a dark sidebar with the GRAV logo and user information for 'Josh Administrator'. The main area has a purple header with a success message. Below are several widgets: 'Maintenance' (100% updated, Last Backup ∞ days), 'Page View Statistics' (0 Today, 0 Week, 0 Month), 'Notifications' (a list of system messages), 'News Feed' (a list of updates and articles), and 'Latest Page Updates' (a table of recent page changes).

[Grav](#) is a flat file CMS with a simple, intuitive interface and a basic administrator panel.

- Create and delete pages from a basic administration panel.
- Configure your install with the available plug-in manager.
- Customize the look and feel of your site with the built-in themes.
