

Overview

The screenshot displays the 'Stock overview' page in the Grocy application. The page title is 'Stock overview 24 Products, \$464.73 total value'. At the top, there are summary statistics: '1 product is expired', '3 products are overdue', '4 products are due within the next 5 days', and '2 products are below defined min. stock amount'. Below these are search and filter options for Location, Product group, and Status. The main table lists 24 products with columns for Product, Amount, and Next due date. Each product row includes a barcode icon and a status indicator (e.g., 'All', 'Expired', 'Overdue').
