

# Overview

OwnCast is a live-video streaming and chat server for the decentralized Fediverse. While hosting your own server, you can still engage the larger community.

Tryout an [OwnCast user demo](#).

- Compatible with existing streaming software solutions like the popular [OBS](#).
- List your video on the [OwnCast directory](#) to stream anything from video games to adult media.
- Customize the look and feel of OwnCast to make the stream truly yours.
